MATILDA BAY

EST. 1983

- MATILDA BAY DRAUGHT -

All Matilda Bay beers are double fermented and brewed with minimal intervention using pure unadulterated mountain spring water. All brews are unfiltered and unpasturised.

Matilda Bay European Ale Healesville, VIC ABV 4.2% \$6.5 / \$10 / \$12.5
This smooth and creamy Ale is a riff on a classic European style golden ale. It will get your palate bouncing with bursts of roasted malt, hints of caramel and toffee goodness and a slight tart character. Your senses will be guided by malt and biscuity aromas, with underlying hints of fresh stone fruits and hop spices.

Matilda Bay Alpha Pale Ale Healesville, VIC ABV 5.2% \$6.5 / \$10 / \$12.5
This multi-award winning Australian style pale ale has dominated beer competition since it first emerged in 1999 and was just recently voted *'Brewer's Choice Best Champion Australian Beer since 2012'* by the AIBA. Its nose tickling aromas are dominated by fresh spicy citrus and exotic spice dust. The palate is firm and dry, with refreshing bitterness and a long lingering finish that throws hints of caramel, spicy oak and poached stone fruit.

Matilda Bay Redback Healesville, VIC ABV 4.7% \$6.5 / \$10 / \$12.5
First brewed by Matilda Bay in 1987, this sparkling blonde Belgian Wheat ale throws a pale glow that draws upon its origins as Australia's original wheat beer. Double fermented with aromas of lemon zest and floral spice, the palate is creamy and soft, yet firm. It walks a delicate line between fullness and fineness with a well-balanced mild palate, which finishes crisp and fresh.

Matilda Bay Dark Lager Healesville, VIC ABV 4.7% \$6.5 / \$10 / \$12.5
First brewed by Matilda Bay in 1985, this full flavoured Dark Lager has steadily been refined over the years, to become less "look at me" to more "just drink me". Double fermented, with an impressive dark red hue, it glows through a mist of cloudy goodness. This brew oozes aromas of chocolate, caramel and toast with a dusting of complex spice. The palate is deep, dark and complex, yet
